HSLSD LAUNCHES NEW WEB RESOURCE AND IN-SERVICE PROGRAMS

Hogan, Sarzynski, Lynch, Surowka & DeWind, LLP is proud to announce the launch of our new website and education law blog. Look us up for the latest school law news, Legalgrams, Special Education Alerts, and firm events. We can be found at www.hslsd.com.

We are also proud to announce the start of a new educational program. Beginning January 13, 2010 we will be introducing our Breakfast Club. Each month one of our attorneys will host a round table discussion of a current school law topic over breakfast. Program locations are in Binghamton (Traditions at the Glen), Norwich (Howard Johnson) and Corning (Radisson). The program is free, but only open to the first ten administrators and Board members responding. Please check our website for dates, locations and topics. The first meeting will be January 13, 2010, 8:30 a.m. at the Traditions at the Glen, Johnson City, where participants will discuss about strategies for addressing severe, student behavior problems.

Finally, in an effort to free up some physical space, we will be destroying our files from the year 2000 and older. If you wish your files returned to you, please contact Gail Brennan at 607-797-4839.
